Centers Plan for Dual Coverage Care (HMO D-SNP)

2024 Pharmacy Directory

Introduction: This booklet provides a list of Centers Plan for Dual Coverage Care’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Centers Plan for Dual Coverage Care’s formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Centers Plan for Healthy Living, LLC. When it refers to “plan” or “our plan,” it means Centers Plan for Dual Coverage Care (HMO D-SNP).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under the plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 3/1/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called MedImpact Direct (also known as Birdi). For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Bronx, Kings (Brooklyn), Nassau, New York (Manhattan), Queens, Richmond (Staten Island), and Rockland Counties, New York, including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at 1-877-940-9330 (TTY users should call 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

This directory starts with a list of pharmacies by type, and in each of those sections the pharmacies are listed by county and zip code. To find a pharmacy by name, please use the alphabetical index at the back of the directory.

MedImpact Direct (also known as Birdi)**Phone:** 1-855-873-8739 (TTY users, please call 711)**Web Address:** www.medimpactdirect.com**Email Address:** customerservice@medimpactdirect.com

You can get prescription drugs shipped to your home through our network mail order delivery program which is called "MedImpact Direct (also known as Birdi)".

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1-888-807-5717 (TTY users, please call 711), 24 hours a day, seven days a week.

Typically, you should expect to receive your prescription drugs within 14 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-888-807-5717 (TTY users, please call 711), 24 hours a day, seven days a week.

Residents of a long-term care facility may access their prescription drugs covered under the plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Long-Term Care Pharmacies contract with Medicare and Medicaid Advantage plans, like Centers Plan for Dual Coverage Care, to provide drug coverage to their members. If you are entering or living in a nursing home, this listing includes nursing home pharmacies that are contracted with Centers Plan for Dual Coverage Care. If you would like more information on Long-Term Care Pharmacies, please call our Pharmacy Help Desk at 1-888-807-5717 (TTY users, please call 711), 24 hours a day, seven days a week. This call is free.
