#### Billing and Coding Instructions for Podiatrists

ICD-10 and CPT Coding

 Centers Plan for Healthy Living only accepts ICD-10 codes for the identification of patient symptoms or conditions. CPT codes, as updated from time to time, are the only acceptable version when submitting a claim. It is important to note that any claim that is submitted without the appropriate code or code version will be denied. For more information on which ICD-10 and CPT Podiatry codes are accepted by Centers Plan, please visit: www.centersplan.com/providers, under additional resources.

 Regardless of the Member's Line of Business, properly aligning the correct Diagnosis Code (ICD-10) with Service Code (CPT) is the only sure-fire way to ensure a clean claim and speedy reimbursement. Please be sure to note the Member's Line of Business for whom you are servicing, and what the accepted diagnostic pointers are.
